

Prayer request

3-8-10

- I'm so thankful for the word on the street. Don't know what I would do from time to time. Wonderful people, thank you for your understanding.
- I need prayer for me because I have 3 abscessed teeth and will at some point get them removed.
- I pray that I may lean on you and make it through the week.
- For my son to reunite his closeness for Christ + continue to pray for him.
- No matter what I do it's the same life I live the same way. I try to change hand it and make it better. It gets worst. I hate it sometimes.
- Would my baby be safe and Healthy when his is born? Will me and my fiancé last?

4-10-10

- I would like a prayer request for myself because I would like God to help me get some organization and direction to the right path to take. I would also like God to heal all my wounds I may have. Like my wound of smoking, I would like to quit.
- I just want Go to teach me right direction to take.
- My brother is in the hospital and for forgiveness for my kids
